Duties

Summary

THIS IS A NATIONAL GUARD TITLE 32 EXCEPTED SERVICE POSITION.

This National Guard position is for a Logistics Management Specialist (Title 32), Position Description Number **D1414P01** and is part of the VA 192 SUT SQ, National Guard.

Responsibilities

As a Logistics Management Specialist (Title 32), GS-0346-12, you will perform the below duties:

- Manages, directs, and implements the local formulation and publication of installation deployment guidance based on regulations, manuals, instructions, and directives issued by higher headquarters. Serves as the Installation Deployment Officer (IDO), and acts for the Commander, regarding actions required to deploy in support of Aerospace Expeditionary Forces (AEF), contingency operations, Operations Other Than War (OOTW), and exercises. Reviews USAF, NGB, and MAJCOM deployment procedures to analyze the impact and, if necessary, provide modifications to procedures for the wing and subordinate units.
- Identifies all required deployment/redeployment support with the Wing Staff Air Mobility/Command (AMC) and Air Combat Command (ACC) regarding the transportation of equipment and personnel. Determines the type and number of aircraft required for mission deployment/redeployment. Validates load plans, priority shipments, and customs clearance requirements. Ensures that all unit personnel and equipment are properly identified and prepared for deployment/redeployment.
- Plans, develops, directs, and conducts deployment training for the wing and units. Develops and schedules training courses and approves lesson plans developed by functional areas. Develops and schedules manpower and workload requirements for the organization deployment work centers and ensures they are fully staffed and trained.
- Assists units by providing guidance and conducting staff assistance visits to identify, correct, and assist with deployment problems. Assesses deployment capabilities with unit commanders to ensure that required deployment training is being conducted. Briefs the Wing Commander, Vice Commander and Unit Commanders on deployment training programs and requirements.
- Reviews Operation Plans (OPLANS), Concept Plans (CONPLANS), Concept of Operations (CONOP); and USAF Special Operations, Exercise, and Exercise Order plans received from and directed by higher headquarters (or locally generated) to determine overall wing and unit tasking. Analyzes Wartime Aircraft Activity (WAA) tasking; determines availability of tasked personnel and equipment for tasking; and manages the War Reserve Material (WRM) assets at home station and deployed locations. Prepares appraisals of tasking to include short falls, limiting factors (LIMFACs), and problems. Compiles and submits to higher headquarters, formal supportability/feasibility studies of units' capabilities in meeting tasking.
- Manages the wing support agreement program for the Commander. As the wing's focal point, negotiates, writes, coordinates, and monitors Inter/Intra Service Support agreements; memorandums of understanding/agreement; disposal and contingency agreements; and exercise and deployment agreements. Ensures reimbursements are identified to the Financial Management Board (FMB). These agreements are between host base units; tenant units; and a variety of other military services, civil airport authorities, and DOD/NON-DOD agencies located on base, in the vicinity, or at overseas planned wartime host bases and nations.
- Acts as the wing focal point for WRM programs and serves as the War Reserve Material Officer (WRMO). Receives annual budgets and accomplishes surveillance inspections for War Consumable Distribution Objective (WCDO) programs. Accomplishes annual budget duties to ensure funds are available for stocking all WRM assets. Determines and establishes training requirements for WRM monitors. Conducts WRM review boards as required. Ensures that all deployed assets are properly accounted for, controlled, and reported. Reviews and analyzes overseas/CONUS Prepositioning Procurement Program (PPP) for effect on unit contingency requirements and pares/tailors unit deployment packages to ensure efficient airlift utilization and scheduling.
- Manages and directs the overall implementation of automated systems such as the Integrated Deployment System (IDS)/Automated Mobility Data Systems wing-level deployment process for both peacetime and contingency/wartime operations. IDS encompasses Logistics Plans Logistics Module of the Contingency Operations/Mobility Planning and Executive System (COMPES) (LOGMOD-B), Manpower and Personnel base-level module of COMPES (MANPER-B), Computer Aided Load Manifesting (CALM), Transportation Cargo Movement Operations System (CMOS), and the unit level Deployment Management System (DeMS).
- Manages pilot/non-pilot unit responsibilities in accordance with applicable directives. When acting as a UTC pilot unit, maintains responsibility for developing standard manpower and equipment changes in deployment packages and advises all non-pilot units system-wide. Resolves manpower and equipment differences. Adds, changes, or deletes requirements as UTCs evolve.
- Performs other duties as assigned.

(http://www.eeoc.gov/eeoc/internal_eeo/index.cfm).

Reasonable Accommodation Policy

Federal agencies must provide reasonable accommodation to applicants with disabilities where appropriate. Applicants requiring reasonable accommodation for any part of the application process should follow the instructions in the job opportunity announcement. For any part of the remaining hiring process, applicants should contact the hiring agency directly. Determinations on requests for reasonable accommodation will be made on a case-by-case basis.

A reasonable accommodation is any change in the workplace or the way things are customarily done that provides an equal employment opportunity to an individual with a disability. Under the Rehabilitation Act of 1973 the Equal Employment Opportunity Commission (EEOC) must provide reasonable accommodations:

- An applicant with a disability needs an accommodation to have an equal opportunity to apply for a job.
- An employee with a disability needs an accommodation to perform the essential job duties or to gain access to the workplace.
- An employee with a disability needs an accommodation to receive equal access to benefits, such as details, training, and office-sponsored events.
